The President states that the Col of providing lunch to the members of the M C during the sittings of the Council and Committee meetings actually works up to Rs 1700 per annum and that Rs 1000 was asked for in the budget Estimates which has been curtailed by Govt to Rs 600 He now requests sanction to an additional grant of Rs 900 over and above the sum of Rs 600 already sanctioned thus in

A report is awaited for an addl grant of Rs 500/- making up the total amount to Rs 1100/- as against Rs 1200/- previously asked for

13) It was pointed by the President of ISSM that lunch should be provided for at every meeting of the Council but only committee meeting Hon. might serve of the methods of ensuring better attendance of members at the

meetings

But this item you
was not being incurred from to
the year 1948-1949 at all now it is
taken as a matter of course that
lunch should be provided at every meeting
of the members — either of the Council or Committee
This is an unnecessary burden on the
rate payers. It need hardly be said that
the expenditure under this item should be kept
at a minimum especially having regard
to the slender resources of the Municipality

14/ Further coming to the merits of
the case there is no necessity to
get up many as 50 plates for each
meeting We no of members is 3
including the Chairman & other Press
representatives, it should not exceed 40
in all If this is restricted to
expenditure will be down further, the
absentees will also have to be taken
into consideration Similarly in regard
to Sub committee meetings, not more
than 8 or 10 plates should be got
Your first will be communicated to
the President of the Municipality

It is necessary that in the interest of Dry Farming these are not curtailed but satisfactory actual expenditure under this head should be reimbursed. However, keeping regard to the request made on 24-5-48, one thousand Rupees may be sanctioned.

Sir,

Adverting to G O No L 319-20/M1 2-47-76/Dated 10-7-1948 approving the resolution of the Council to provide lunch to the members during the sittings of the Council and the Committee meetings and directing that provision of Rs 1,000/- for lunch charges may be limited to Rs 600/- only, I have the honour to state that on an average there will not be less than 30 Council meetings in a year including adjourned and special meetings and there will not be less than twelve executive and consultative committee meetings, every month The cost of providing lunch to the members at these meetings even at a modest type will come to nearly Rs 1,700/- as worked out in the margin* As against this calculation, a providion of Rs 1,000/- only for this item of expenditure had been made in the Budget estimates of the Municipality for this year, which was reduced to Rs 600/-, as per Government Order adverted to above As the deliberations of the Committees will be usually long and the members have to sit late at evenings some refreshments are felt absolutely necessary, to the members Considering the limited finances and also the minimum expenditure that had to be incurred inevitably for the purpose, the Council before whom the question of enhancing the grant, came up for consideration at the meeting held on 6-10-48, approved of the enhancement of the provision of Rs 600/-, by a further sum of Rs 900/- In enclosing the copies of the resolution of the Managing Committee and Council in this

In view of the observations made by Government in G O No L 319-20/ M1 2-47-76 dated 10-7-48 while making a provision of Rs 600/- as lunch charges for 48-49, and the specific reduction of the provision therefor from Rs 1200/- to Rs 600/- in G O No L 5008/M1 39-48-6 dated 10-11-48, it is regretted that audit is unable to anticipate orders of Government in the matter and pass the bills pending the same The rapid expenditure on this behalf and the inadequacy of the sanctioned provision for the same should have been foreseen and orders of Government obtained well in advance
